About Us

Pabex Global Private Limited is a merchant exporter, in the processed fruit pulps/puree. Our organization works on the solid foundation of understanding our customers' needs, supported by a team led by qualified, efficient and experienced people. A wide exposure and deep understanding of the agro industry into the needs of the ever changing global markets.

Pabex Global Private Limited has gained an excellent reputation with international buyers based on our efficient chain in the distribution of fruit pulp products. Our unique characteristics are particularly appealing to looking for products that meet the growing demand of agro products. We give our clients good quality, competitive rates, and personalized services.

We will always continue with our tradition of providing good quality products of international grade that meet and exceed customer's requirements.

- Quality, of our products and services
- Partnership, with our customers and suppliers
- Empowerment of our human resources and Commitment to meet our social responsibilities

Our Assurance

Our Endeavour: It is our endeavor to be an icon for quality and service, who have enriched themselves in the Food Processing Industry and have been through the grill of quality & surety.

Our Belief: One cannot develop taste from what is of average quality but only from the very best.

Product Quality: Quality in every aspect such as dimensional accuracy, designs, printing, labelling and packaging.

Competitive Price: We strive to offer our clients best quality products at industry competitive prices.

Packaging: We use superior quality packaging material and equipment to ensure safety of the products in transit and delivery.

Timely Delivery: We have adopted innovative methods and procedures to ensure delivery of the order within a stipulated time frame.

Personalised Services: We follow a client-centric approach and thus we offer highly personalised services to our clients. We follow the shipment and keep clients informed of movement of goods and date of arrival at destination ports.

Client Satisfaction: We understand the needs and demands of our clients and offer viable solutions for the same.
